The following Mission and Vision statements were discussed at length and will be presented to the Substance Abuse and Mental Health Stakeholders' Consortium at their next meeting.

Mission Statement

Develop and implement a strategic plan for the community which will improve and enhance the delivery of substance abuse and mental health services for citizens of Sarasota County.

Vision Statements

- There will be a strategic plan supported by the community which creates quality, state-of-the-art services that improve the lives of those in need, provides direction for the future enhancement of the substance abuse and mental health system and guides the utilization of resources.

- Funders, providers and consumers will work collaboratively for the benefit of the community.
